## REASONS FOR ASALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of records fails to teach or suggest the followings:

A method for configuring a tagged virtual connection in a communication network, the virtual connection interconnecting a first boundary device with a second boundary device via a plurality of intermediate devices, the method comprising (inter alia\$):

exchanging first tag allocation information including a first tag value between a first boundary device and a first intermediate device, each intermediate node create a tag allocation request having a tag value in response to receiving a tag request from a preceding intermediate node to be forwarded to the next intermediate node, wherein tag values are applied to establish a tagged virtual connection for transmitting end-user messages, wherein the tag allocation information is exchanged between the devices in relation to tag allocation requests, and wherein at least one of the tag allocation requests is included in a tag allocation message having a plurality of tag allocation requests, as indicated in independent claims 1 and 7.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
